Worship Order for June 4, 2023

Welcome

Gathering Songs	<i>O Worship the Lord</i>	WB 124
	<i>Holy, Holy, Holy</i>	WB 120

The lamps will be lit during the opening songs.

- As we light these lamps, we remember:
- Our sisters, brothers, friends, partners.
- Our laments.
- Our thanksgivings.
- The hope we have together in Christ.

Scripture John 7.31-44

31 Many from that crowd believed in Jesus. They said, “When the Christ comes, will he do more miraculous signs than this man does?”

37 On the last and most important day of the festival, Jesus stood up and shouted,

“All who are thirsty should come to me!

38 All who believe in me should drink!

As the scriptures said concerning me,

Rivers of living water will flow out from within him.”

39 Jesus said this concerning the Spirit. Those who believed in him would soon receive the Spirit, but they hadn’t experienced the Spirit yet since Jesus hadn’t yet been glorified.

40 When some in the crowd heard these words, they said, “This man is truly the prophet.” 41 Others said, “He’s the Christ.” But others said, “The Christ can’t come from Galilee, can he? 42 Didn’t the scripture say that the Christ comes from David’s family and from Bethlehem, David’s village?” 43 So the crowd was divided over Jesus. 44 Some wanted to arrest him, but no one grabbed him.

Meditation *Flowing Out*

Singing *Guide My Feet* WB 546

Love Step Prayer (standing if able)

Lord, open my eyes to see when you introduce me to someone. Help me to meet them with love where they are and to be met in love where I am. Help us to walk together, learn from each other, and share your love with others. Help us to see that as we do these things together, we are growing closer to Christ.

Moment in Mission to introduce our next Dollar Project.

Bangladesh Arsenic Water Project. Carole and Bill Schumacher are here with us today to share about our new Dollar Project. They, along with a small group of former MCC co-workers, are trying to raise awareness about a very serious water safety issue in Bangladesh that is almost unknown in the US. It kills at least 43,000 people per year and disables many more. In response to this need Bill and Carole are working closely with SIM, a well-known and well-respected mission organization, to establish an arsenic project in a new area of Bangladesh, to expand their current work. Bill served with MCC as an agronomist in Bangladesh in the past. He and Carole are members at Sharon Mennonite Church in Plain City, OH.

Vacation dates. Jan will be on vacation from Saturday, June 3 through Thursday, June 8. Her office will be closed, but emails and texts will still be received and responded to.
